Search tips for databases

You can find Discovery Service on <http://databanken.ap.be>

Bezig met zoeken: **Discovery Service Artesis Plantijn Hogeschool**

hawking, stephen

AND ▾

cosmo*

AU Auteur ▾

TI Titel ▾

Veld selecteren (optioneel) ▾

OR ▾

Specify where to look for the search term (author, title, ...) or leave it as is to search all fields

Use one search term or combine several using AND, OR, NOT

- » OR = expand your search results
- » AND, NOT = limit your search results

An asterisk (*) replaces one or more characters in a search term. e.g. look for both 'cosmos' and 'cosmology' at once by using the search term 'cosmo*'

No results or too many results?

- » Experiment with different search terms.
- » Most databases are in English, so use English search terms when possible.

Embargo publisher: some publishers only offer paid access to the most recent issues of a journal.

Ordering an article: if you want access to an article that we don't have in our database collection, you can contact your librarian.
