

## LATIN QUARTER, PARIS

### THE BOHEMIAN LANDON

Since the Middle Ages, the Latin Quarter has been a neighborhood of artists, writers, and intellectuals, and the Latin Quarter Landon exudes this in every brick of its building.

It's a common experience that a tourist finds himself derailed from an ordinary day of tourism, to sit in the vintage reading room of the Latin Quarter Landon and debate politics, discuss literature, or recite poetry with natives,

while sipping coffee amongst the hotel's sizable book stacks.

When night falls, locals head to the Underground Jazz Club, in the hotel basement, to hear the most celebrated voices in jazz, both long-standing and up-and-coming.
